Re: Out of Field Teachers

Dear Parent(s)/Guardian(s):

In compliance with Section 1012.42 Florida Statute, "when a teacher in a district school system is assigned teaching duties in a class dealing with subject matter that is outside the field in which the teacher is certified, outside the field that was their minor field of study, or outside the field showing sufficient subject area expertise as determined by district school board policy in the subject area to be taught, the parents of all students in the class shall be notified in writing of such assignment."

This is a notice to inform you that the following teachers are currently teaching Out of Field in the area(s) indicated. Your child's teacher will complete the appropriate steps to become In Field according to Florida and DOE law/rule. At this point, they will no longer be reported Out of Field.

Michelle Crespo-Melendez: OOF ESOL

Dawn Cusumano: OOF ESOL

Kristen Fehr: OOF ESOL

Kayla Perez: OOF ESOL

Nicole Diehl: OOF Elementary Education

If you have any questions or concerns, please feel free to contact your student's principal.
